

Conditions of the Points Program

The points program has been **frozen as of 11 February 2024**, but if you have accumulated points, you will still **be able to use them**.

With your accumulated points you can:

- Access to different clubs by selecting them directly from Gestions Online or by requesting them at the club.
- Access to all clubs during the weekend (except DiR Diagonal during the summer season).
- Access to all clubs every morning.

Important conditions:

- *On Demand customers will only be able to choose On Demand clubs.*
- *Customers with a change of club will not be able to select a club with a higher point value than theirs for two years. They will also lose the club they selected before the change.*
- *If the customer permanently cancels his subscription, he will **lose the points he has accumulated**.*

How do I view and redeem my points?

- Log in to your account using your username and password
- Check your points and select the club you wish to link

If you have any questions about registering at Gestions Online or checking and redeeming your points, we'll be happy to help you at our Club Reception.
